

“Outstanding child-centred performance work” - British Theatre Guide

This is a self-contained show with 2 performers and is devised to fit in both theatre and non-theatre spaces such as libraries. Demand is high for this inclusive work, suitable for children aged 5-11 for a family or school audiences. Wraparound workshop packages are available to enhance the performance.

“Evolve” an immersive theatre experience for children with autism and complex learning needs. The show is approx 40min journey about two characters called Spin & Twirl who takes the audience to explore the cosmos and find something rather special.

- An interactive and immersive adventure for 5-11 year olds.
- Crafted for audiences with Autism and complex learning needs.
- An opportunity to engage both family and school audiences.
- An opportunity to engage wider audiences and to establish/build on a reputation for promoting engaging activities for children.
- An opportunity to promote workshops focused on music and dance and building on the social and environmental themes that supports school curriculum and learning outcomes.
- Social Stories and Information packs are provided to the audience prior to their arrival at the venue.
